

Aircraft Wrecks x 4 Walk on Bleaklow

Meet: Roadside parking is available on the A57 at its junction with the Pennine Way (path) between the Snake Inn and Glossop. Alternately there is a small parking spot on the A57 at Doctors Gate which you can use instead and adjust the walk accordingly. Make sure at least someone in your group has the appropriate OS 1:25000 Dark Peak map or electronic equivalent or both as some of these wrecks are hard to find.
